# JOURNAL OF COMPUTING AND APPLIED SCIENCES

Official Journal of the Department of Computer Science  
Adekunle Ajasin University, P.M.B. 01, Akungba Akoko, Ondo State, Nigeria

## Aim and Scope

The Journal of Computing and Applied Sciences (JCAS) publishes original, peer-reviewed research articles and reviews in various fields of computing, informatics, information technology, and applied sciences, especially those that contribute to current and future computing developments. It serves as a platform for engaging and disseminating innovative research ideas, emerging technologies, empirical investigations, benchmarks, state-of-the-arts, and tools in the following areas of interest such as:

1. Software Engineering
2. Human Computer Interface
3. Processor Design and HPC
4. Theory of Computation and Programming
5. Networking and Telecommunication
6. Control Systems and Digital Electronics
7. Web Sciences
8. Data Science and Big Data
9. Computer and Cybersecurity
10. Information Sciences
11. Informatics and Information Systems
12. Artificial Intelligence and Logics
13. Natural Language Processing
14. Pattern Recognition
15. Graphics and Image Processing
16. Gaming and Virtual Reality
17. ICT4D
18. Computational and Applied Physics
19. Computational and Applied Chemistry
20. Biotechnology, Genomics and Bioinformatics
21. Statistics and Applied Mathematics
22. Modelling and Simulation
23. Digital Humanities and Philosophy
24. ICT4D
25. 4IR Science and Technology
26. Emerging Computing Issues

The scope of this journal covers technical, empirical, and theoretical aspects of the above areas.

JCAS is a bi-annual journal, with January and July Issues. The issues shall be organized into yearly volumes.

**Ganiyu Adesola Aderounmu**  
Professor, Department of  
Computer Science and  
Engineering, Obafemi Awolowo  
University, Ile-Ife, Nigeria.

## Managing Editors

**Alaba Olu Akingbesote**  
Adekunle Ajasin University,  
Akungba Akoko, Nigeria.

**Olusola Olajide Ajayi**  
Adekunle Ajasin University,  
Akungba Akoko, Nigeria.

**Felix Ola Aranuwa**  
Adekunle Ajasin University,  
Akungba Akoko, Nigeria.

**Oluwafemi Oriola**  
Adekunle Ajasin University,  
Akungba Akoko, Nigeria.

## Consulting Editors

**Stella C. Chiemeka**  
University of Benin, Benin-city,  
Edo State, Nigeria

**Babatope Olumide Longe**  
American University of Nigeria,  
Yola, Nigeria

**Benjamin Segun Aribisala**  
Lagos State University, Ojo,  
Nigeria

**Adebayo O. Adetunmbi**  
Federal University of  
Technology, Akure, Nigeria.

**Adekunle A. Eludire**  
Joseph Ayo Babalola University,  
Ikeji Arakeji, Osun State,  
Nigeria
